It's been on your mind for a few years now, but the time has finally come to deal with replacing your roof. Thankfully this isn't something we deal with often, but when the time comes, it's going to cost time and money. It may be tempting to choose the lowest bid, but when it comes to roofing contractors, there is a lot more than job quotes that distinguishes the best in the business from everyone else. ***The best way to guarantee your new roof will be installed properly is to use a certified roofing contractor.*** Choosing the right company can **lessen your stress** now as well as down the road.

Held to the Highest Standards

Our contractors at Vertex Roofing are proud we hold the CertainTeed Select Shingle Master designation. This credential isn't just handed out. CertainTeed Shingle Masters have passed challenging tests on industry information and shingle installation. This means **we have proved we know the ins and outs of the roofing industry and have shown we can do what we say we do consistently and with excellence.**

Because we are committed to being the best in our industry, our Salt Lake City, Utah Vertex Roofing Contractors are also Owens Corning certified. The requirements of our designations include maintaining proper licenses and insurance.

As Certified Roofing Contractors we also:

- Are factory-certified.
- Have a proven reputation in our community.
- Are committed to continuing industry education.

Don't overlook the distinction of ***SELECT Shingle Master***. This elite designation indicates our owner has completed a Business Fiscal Responsibility Exam. ***Vertex Roofing Contractors has been in business for over 15 years***, and fiscal responsibility means those deep roots we've planted in the community will continue to grow.

Customer Benefits of Hiring a Certified Roofing Contractor

Certified roofing distinctions guarantee you will hire a knowledgeable, professional roofer, but there are additional benefits for our customers that make the work of obtaining industry certifications an important process for our Vertex Roofing team.

SELECT Shingle Masters from CertainTeed and Owens Corning means we can offer our Vertex Roofing customers the ***best industry warranties on labor and materials***.

Hiring a certified roofing contractor provides peace of mind in so many ways. ***As certified contractors, we are required to have proper insurance and licensing***. This means we are required to meet the standards established by the state of Utah.

We didn't earn the **5 Star 2017 Home Improvement Roofing Reviewer's Choice** award by meeting the standard. At Vertex Roofing we proudly ***exceed the status quo*** with our ***customer guarantee***.

Our Customer Guarantee Includes:

- A full 50-year warranty on every residential project we complete.
- High-Quality GAF products.
- Choose from a variety of roofing material options.
- A roof-repair quote within 24 hours.
- Efficient, high-quality contractors.
- Having only fully licensed and insured contractors on every project.
- Special financing available for 60 months on approved credit.
