Our Services

Vertex Roofing is happy to be a very reliable and experienced professional roofing company. Check out some of the exceptional services we offer:

Roof Inspections

Whether you just had a recent storm or you have an aging roof, it's important to have your roof inspected by a professional roofing company. Our team at Vertex Roofing excels at providing top-notch roof inspections aimed at your specific needs. During a [roof inspection](#), we'll:

- Look for exposed or broken nails
- Check for damaged flashing
- Examine the gutters and surrounding areas
- Check for rust and erosion
- Inspect areas that are prone to leaks
- Look for signs of algae growth
- Inspect drains and downspouts
- And more!

Roof Maintenance

Roof maintenance is very important to ensure a safe and long-lasting roof. But doing these maintenance tasks yourself can be costly and dangerous. Here at Vertex Roofing, we provide [comprehensive roofing maintenance services](#) that can lead to a roof that'll last for many years to come!

Roof Repair

From severe storms to normal wear and tear, many issues can happen with roofs. When these issues happen, it's important to choose [roof repair](#) experts who can handle the problems with ease. From missing asphalt shingles to dents in your metal roof, Vertex Roofing can handle these repairs properly.

Roof Replacement

If you have an old, aging roof or you just want to take advantage of the amazing roof technology of today, Vertex Roofing is here for your roof replacement needs. We can effectively remove your old roofing materials and install your new roof quickly!

New Roof Installation

Are you building a new home? Looking for a top-notch roof? If so, then Vertex Roofing is here for your personalized needs! Whether you're looking for asphalt, metal, or flat roof, our team can install your roof in no time! And since we offer FREE estimates, there is no harm in calling us for a quote!
